## Google Classrooms and Seesaw

### Seesaw

For our home learning, KS1 will now be using Seesaw. This was successfully used during the school closure, due to Covid-19, back in March 2020. KS2 will be using Google Classroom for their home learning from September 2020.

In the event of any bubble closures, online learning will be available for all pupils via these two platforms. In rare cases, paper packs may be given if you do not have access to a device at home. Both of these platforms can be accessed through computers, IPADs and phones.

If you misplace your child's log in details, please email their teacher through their year group email address.

### Google Classroom for Parents (2020 remote learning overview)

Google Classroom can help parents track upcoming and missing assignments and help students complete school work. 📖 ✅👍 This overview of Google Classroom was...
