John 10:10 – I came so that they may have life – life in all its fullness

Mission Statement:

At St John's Gosport Church of England Primary School we aim to achieve our vision by providing a broad balanced curriculum and learning experiences that develop our children in body, mind and spirit; setting high standards for all, confident that we can achieve success. Thus ensuring that when our children leave us they are independent learners, who are well equipped to be responsible citizens of the future and reach their potential.

Safeguarding at St John's C of E Primary School is carried out in line with the statutory guidance in 'Keeping Children Safe in Education' published by the Department for Education.

1. Statement of Intent

We are committed to providing a caring, friendly and safe environment for all of our pupils so they can learn in a relaxed and secure atmosphere. Bullying of any kind is unacceptable at our school. If bullying does occur, all pupils should be able to tell and know that incidents will be dealt with promptly and effectively. We are a *TELLING* school. This means that *anyone* who knows that bullying is happening is expected to tell a member of staff.

2. What is Bullying?

DFE guidance (2012) defines bullying as “*behaviour by an individual or group, repeated over time, that intentionally hurts another individual or group either physically or emotionally*”. Bullying can be direct (either physical or verbal) or indirect (for example, being ignored or not spoken to). It results in pain and distress to the victim. There is a difference between bullying and the ‘falling out’ that both children and adults can experience, where friendships are soon restored. Bullying is the systematic and persistent use of aggression with the intention of hurting another person.

Bullying can be:

- Emotional- being unfriendly, excluding, tormenting
- Physical- pushing, kicking, hitting, punching or any use of violence
- Racist- racial taunts, graffiti, gestures
- Sexual- unwanted physical contact or sexually abusive comments
- Homophobic- because of or focussing on the issue of sexuality
- Verbal - name-calling, sarcasm, spreading rumours, teasing

3. Why is it Important for School to Respond to Bullying?

Bullying hurts. No-one deserves to be a victim of bullying and everybody has the right to be treated with respect. Adults or pupils who are bullying need to learn different ways of behaving. As a school we have a responsibility to respond promptly and effectively to any issues of bullying.

4. Prevention

The systems in school encourage appropriate behaviour and this is supported by our Personal Development Learning (PDL) Programme and our Collective Worship opportunities. There is regular analysis of CPOMs entries which helps to identify potential bullying/ patterns of bullying.

5. The Role of Governors

The Governing Body supports the Headteacher and the Senior Leadership team in all attempts to eliminate bullying from our school. The Governing Body will not condone any bullying in or related to the school setting, and any incidents of bullying that do occur will be taken very seriously and dealt with appropriately. The Governing Body monitors any incidents of bullying that do occur and regularly reviews the effectiveness of this policy. The governors require the Headteacher to keep accurate records of all incidents of bullying, and to report to the

governors on the effectiveness of school anti-bullying strategies.

6. Objectives of this Policy

The key objectives of this anti-bullying policy are to ensure:

- All governors, teaching and non-teaching staff, pupils and parents will have an understanding of what bullying is;
- All governors, teaching/ non-teaching staff and volunteers will know what the school policy is on bullying, and follow it when bullying is reported;
- All pupils and parents will know what the school policy is on bullying, and what they should do if bullying arises;
- That as a school, we take bullying seriously. Pupils and parents should be assured that they will be supported when bullying is reported.
- Bullying in any shape or form is not tolerated.

7. Signs and Symptoms

A pupil may indicate by signs or behaviour that he or she is being bullied. Staff in school should be aware of these possible signs and that they should investigate if a pupil:

- Is frightened of making the journey to or from school;
- Changes their usual routine;
- Is unwilling to attend school (school phobic);
- Begins to truant;
- Becomes withdrawn, anxious, or lacking in confidence;
- Starts stammering;
- Attempts or threatens suicide
- Absconds from school/ educational visit;
- Frequently reports they feel ill (where no known cause of illness is known or detected);
- Begins to do poorly in school work;
- Attends school in clothes torn or with damaged books/ equipment;
- Has possessions which are damaged or 'go missing';
- Has unexplained cuts or bruises;
- Becomes aggressive, disruptive or unreasonable;
- Is bullying other children or siblings;
- Stops eating;
- Is frightened when questioned to say what's wrong;
- Gives improbable excuses for any of the above.

These signs and behaviours could indicate other problems, but bullying should be considered a possibility and should be investigated.

8. Procedures

In this school, pupils will be encouraged to report/discuss any behaviour they are not happy with. Initially teachers will try to deal with any incident in a supportive low key manner to avoid further distress. This may be:

- Face to face talks;
- Taken as a theme in a class PDL discussion if the bullied child is more at ease with this.

Should other incidents occur, the following procedure will be used progressively to address the problem:

1. Formal, noted talk with the pupils concerned (parents notified verbally to allow any queries to be raised).
2. Parents of the pupils involved asked to attend a formal meeting at school.
3. Formal involvement and possible exclusion of the perpetrator.
4. The bullying behaviour or threats of bullying will always be investigated and the bullying stopped quickly.
5. Victim/s of bullying will be supported.
6. Attempts will be made to help the perpetrator/s change their behaviour.

Please refer to School's Anti-bullying Protocol.

Desired outcomes of such action:

1. The bully / bullies will be asked to genuinely apologise. Additional consequences may take place.
2. If possible, the pupils will be reconciled.
3. After the incident/incidents have been investigated and dealt with, each case will be monitored to ensure repeated bullying does not take place.

9. Conclusion

Through this policy, bullying will be minimised. In the exceptional circumstances where it does occur, the victim will be protected and a clear procedure will be followed consistently.
