1. Aims

This policy aims to:

- › Set out our approach to requiring a uniform that is of reasonable cost and offers the best value for money for parents and carers
- › Explain how we will avoid discrimination in line with our legal duties under the Equality Act 2010
- › Clarify our expectations for school uniform

2. Our school’s legal duties under the Equality Act 2010

The [Equality Act 2010](#) prohibits discrimination against an individual based on the protected characteristics, which include age, sex, disability, race, religion or belief, pregnancy and maternity, and gender reassignment.

To avoid discrimination, our school will:

- › Avoid listing uniform items based on sex, to give all pupils the opportunity to wear the uniform they feel most comfortable in or that most reflects their self-identified gender
- › Make sure that our uniform costs the same for all pupils
- › Allow all pupils to have long hair (though we reserve the right to ask for this to be tied back)
- › Allow all pupils to style their hair in a way that is appropriate for school and makes them feel most comfortable
- › Allow pupils to request changes to swimwear for religious reasons or if they are experiencing discomfort related to their sex, gender or gender reassignment
- › Allow pupils to wear headscarves and/or other religious garments
- › Allow pupils with sensory or physical needs to make reasonable adaptations to their uniform depending on their specific needs
- › Allow for reasonable adaptations to our policy on the grounds of equality by asking pupils or their parents/carers to get in touch with Mrs Wilkinson, Headteacher, who can answer questions about the policy and respond to any requests. These will be considered on a case-by-case basis

3. Limiting the cost of school uniform

Our school has a duty to make sure that the uniform we require is affordable, in line with statutory [guidance](#) from the Department for Education (DfE) on the cost of school uniform.

We understand that items with distinctive characteristics (such as branded items, or items that need to have a school logo or a unique fabric/colour/design) cannot be purchased from a wide range of retailers and that requiring many such items limits parents/carers’ ability to ‘shop around’ for a low price.

We will make sure our uniform:

- › Is available at a reasonable cost
- › Provides the best value for money for parents/carers

We will do this by:

- › Carefully considering whether any items with distinctive characteristics are necessary
- › Limiting any items with distinctive characteristics where possible for example, by only asking that jumper/ cardigan, features the school logo
- › Limiting items with distinctive characteristics to low-cost
- › Avoiding specific requirements for items pupils could wear on non-school days, such as coats, bags and shoes
- › Avoiding different uniform requirements for different year/class groups
- › Avoiding different uniform requirements for extra-curricular activities
- › Making sure that arrangements are in place for parents/carers to acquire second-hand uniform items
- › Avoiding frequent changes to uniform specifications and minimising the financial impact on parents/carers of any changes
- › Consulting with parents/carers and pupils on any proposed significant changes to the uniform policy and carefully considering any complaints about the policy

The board will also make sure that the school's uniform supplier arrangements give the highest priority to cost and value for money, for example by avoiding single supplier contracts and by re-tendering contracts at least every 5 years.
