A Message from Your Class Team

Hello and welcome to **4AN!** My name is Mr Norris, and I am really excited to be your teacher this year. We have so many exciting things to learn together, from fascinating topics in history and science to creative writing, problem-solving in maths, and much more. I believe that every single one of you has something unique to offer, and I can't wait to see how we grow as a class. In 4AN, we will support each other, celebrate our successes, and always try our best, even when things feel tricky.

A little bit about me: I got married earlier this year, which was a very special moment for me! I have two lovely daughters who always keep me busy and make me laugh. When I'm not in the classroom, I enjoy spending time with my family, watching movies and football, especially when my team, **Tottenham Hotspur**, are playing (even if they don't always win!). I'm really looking forward to getting to know all of you and finding out about your interests too. Let's make this a fantastic year together!

Topics covered

We cover a range of topics in year 4. In history, we look at the Anglo Saxons, the Vikings and the Norse people and we look at what life was like for children in Tudor and Victorian times, and compare with children's lives today.

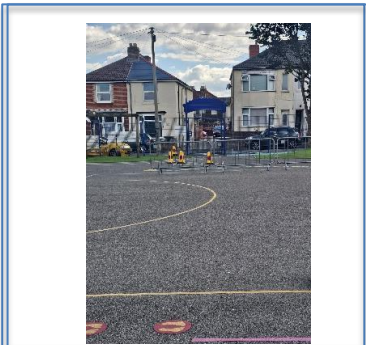

Our geography topics cover the Rainforest, where our food comes from, and the very exciting Volcanoes and Earthquakes.

Morning Routine

Here's where your child will line up in the morning:

[Insert Picture of Line-up Area]

We come in the gate near the football pitch
