Mission Statement:

At St John's Gosport C of E Primary School we aim to achieve our vision by providing a broad balanced curriculum and learning experiences that develop our children in body, mind and spirit; setting high standards for all, confident that we can achieve success. Thus ensuring that when our children leave us they are independent learners, who are well equipped to be responsible citizens of the future and reach their potential.

Safeguarding at St John's C of E Primary School is carried out in line with the statutory guidance in 'Keeping Children Safe in Education' published by the Department for Education.

1. Overview and Purpose

St. John's Gosport C of E Primary School endorses the principles of the Education Act (2011, 1988) in maintaining the right to free education for all children. The act allows us to request voluntary contributions to broaden children's educational experience.

We believe that all our pupils should have an equal opportunity to benefit from school activities and visits (curricular and extra-curricular) independent of their parents' financial means. This charging and remissions policy describes how we will do our best to ensure a good range of visits and activities is offered at the same time, try to minimise the financial barriers which may prevent some pupils taking full advantage of the opportunities.

In providing activities which take place during the school day the school may have to meet additional expenses, for example specialist groups working with pupils in school or additional equipment and resources which need to be purchased. The school reserves the right to ask parents for voluntary contributions for any activity organised by the school which takes place, wholly or mainly (50% or more) during normal teaching time.

Such enriching activities are an important aspect in supporting the curriculum. Non-contribution would not prejudice a pupil's place. However, there may be cases where unless most parents were prepared to make a contribution, the school may have to cancel the activity such as educational visits or residential activity.

Voluntary contributions will, in all circumstances, be invited through individual letters to parents. Any school organised activity which takes place mainly (more than 50%) outside of school time will be charged for in such a way as to meet the entire costs of the activity.

Roles and responsibilities of the Headteacher, other staff and governors

The Headteacher, staff and governors will ensure that the following applies:

1.1 No charges will be made for

- Education provided during school hours (including the supply of any materials, books, instruments or other equipment)
- Education provided outside school hours if it is part of the National Curriculum, or part of a syllabus for a prescribed public examination that the pupil is being prepared for at the school, or part of the school's basic curriculum for religious education.
- Tuition for pupils learning to play musical instruments (or singing) if the tuition is required as part of the National Curriculum (HMS Listen2Me)
- Education provided on any trip that takes place during school hours. However, Governors have agreed that Voluntary Contributions may be requested to cover the cost of entrance fees and workshops. There will be no charge to the parents for transport costs; the school may request a voluntary contribution. Pupils whose parents are in receipt of certain benefits (see point 3 below) may not be charged for the cost of coach hire or entrance and workshop fees. If there are not enough voluntary contributions to make the activity possible, then it may be cancelled at the discretion of the Headteacher.
- Education provided on any trip that takes place outside school hours if it is part of the

National Curriculum or part of the school's basic curriculum for religious education.

1.2 Activities for which charges may be made

- Activities outside school hours – Non-residential activities (other than those listed in I above), which take place outside school hours.
- Residential activities – Board and lodging costs (but only those costs) of residential trips deemed to take place during school time. However, pupils whose parents are in receipt of certain benefits (see point 3 below) may not be required to be charged for board and lodging costs. Residential trips deemed to take place outside school time.
- When any trip is arranged parents will be notified of the procedure for payment and booking a place.
- Music tuition (other than for those activities listed in I above) – for individuals or groups of any appropriate size.

1.3 Families qualifying for remission or help with charges

In order to remove financial barriers from disadvantaged pupils, the governing body has agreed that some activities and visits where charges can legally be made will be offered at no charge or a reduced charge to parents in particular circumstances. This remissions policy sets out the circumstances in which charges will be waived.

Criteria for qualification for remission are given below:

Parents in receipt of –

- Income support
- Income based Jobseeker's Allowance
- Income related Employment and Support Allowance
- Support under part VI of the immigration and asylum act 1999
- Child Tax Credit, providing that Working Tax Credit is not also received and the family's income (as assessed by HM Revenue and Customs) does not exceed the sum given in the Revenue and Customs rules (£16,190)
- Guaranteed element of state Pension Credit
- Universal Credit – if you apply on or after 1 April 2018, your household income must be less than £7,400 a year (after tax and not including any benefits you get)

Additional categories of parents may claim help with some costs in some circumstances, which will be decided by the governing body taking into account as to whether additional help is justified on an individual basis. If parents wish to talk to the school about their individual circumstances, please contact the School Business Manager in the first instance.

1.4 Additional considerations

The governing body recognises its responsibility to ensure that the offer of activities and educational visits does not place an unnecessary burden on family finances. To this end we will try to adhere to the following guidelines:

- Where possible we shall publish a list of visits (and their approximate cost) at the

beginning of the school year so that parents can plan ahead

- We have established a system for parents to pay in instalments over an extended period of time for residential visits

2. School Clubs

Clubs during lunchtime and after school are most often run by teachers voluntarily giving their time. School reserves the right to charge a nominal fee for participation in these activities.

Clubs run by external providers which take place on school premises will set their own charges unless contracted under Service Level Agreement (SLA). Any queries regarding these activities must be taken up with the external providers and not with school. Charges for SLA provision will be set in line with the SLA contract.

2.1 Breakfast Club and After School Club

Breakfast and After School Club are provided by an outside private company ('Alverstone Community Breakfast/After School and Holiday Club,) which are run on the school premises. They run their own booking and invoice system. The school is not involved in this, other than passing on enquiries. Subject to places being available, Governor's children can attend if they are attending a meeting or on Governor business but only if the meeting falls during the After School Club hours of operation. Alverstone Community Breakfast/After School and Holiday Club, are charged 10% of their profits.

3. Breakages

The school will not charge for accidental breakages of school property; however deliberate or wilful acts which result in breakage or damage to school property will be charged for at a rate appropriate to replacement costs. In such cases parents/ guardians will be expected to pay for the replacement rather than the cost of the original.

4. School Lunch Money

Payments are required in advance for all lunches booked. The school has a strict no debt policy relating to the school meal service. For further information please refer to the School Meals Debt Policy. The food provider, Dolce, now deals with most lunch debt directly.

The scale of charges will be determined annually by the Finance Governors in line with the regulations set by Hampshire County Council. For users connected to the school the charge will be based on the site overtime costs.

The FGB agreed, on their meeting on 22.1.19, that the following charges will be made:

- Groups using school facilities during the school day - £12 per hour
- Groups using school facilities after school and in the evening - £25
